RESERVE CHAMPION FEMALE RIBBON

November 5, 1952

Standard Guarantee
OF
AMERICAN SHORTHORN BREEDERS
ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

The National Shorthorn & Polled Shorthorn

Information for the Buyer

LOCATION: Grand National Livestock Exposition, Cow Palace, San Francisco, California.

MAIL BIDS: Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in San Francisco in care of Shorthorn Headquarters, Cow Palace.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**
Allan C. Atlason Clem Larson Ted Aegerter Ralph Heinemann

Representing **THE SHORTHORN WORLD**, 16 South Locust St., Aurora, Ill.
Hal Longley Merv Aegerter Don Longley John Siverling

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

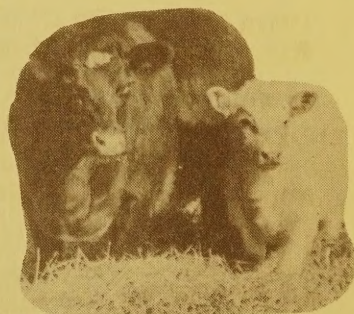

INSURANCE: Coverage may be secured effective at the time of sale.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

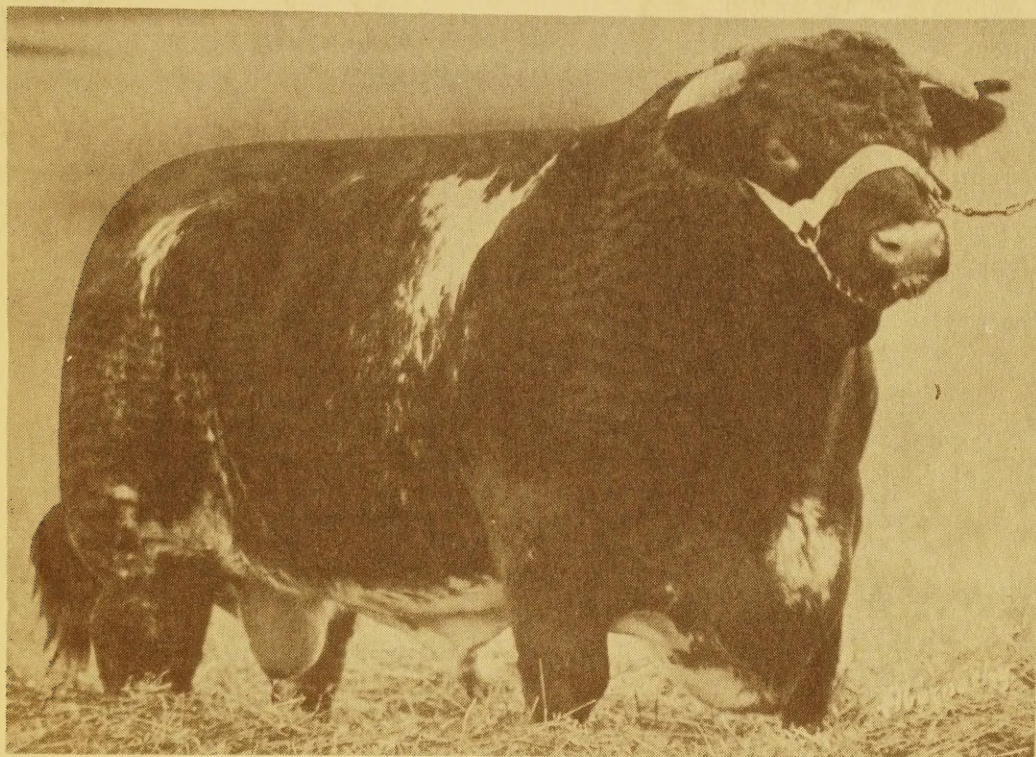

AUCTIONEER: C. D. Swaffar, Tulsa, Oklahoma.

HOTEL HEADQUARTERS: PALACE HOTEL, Market & Montgomery Sts., San Francisco - write direct for reservations, mentioning this National Shorthorn Show and Sale.

Allan C. Atlason, Secretary
**AMERICAN SHORTHORN BREEDERS'
ASSOCIATION**
7 Dexter Park Avenue,
Chicago 9, Illinois.

*Try Our
Service
Without
Charge*

Cordially the American Shorthorn Breeders' Association invites you to become interested in producing Shorthorns or Polled Shorthorns on a profitably sound and constructive basis. We invite new breeders or prospective buyers to take advantage of our facilities for service. We are more than a registry association---we are here to cooperate with you in any way either in solving your cattle problems or in locating and assembling the kind of Shorthorns or Polled Shorthorns you want---one or a car-load. This is done entirely free of charge. The advice of our experts is always available in gathering together a uniform herd for whatever branch of the cattle business you wish to enter.

If you are unable to attend this Sale, send your buying orders for any animals in this Catalog to Allen C. Atlason, Secretary, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, 9, Ill. - phone Yards 7-0363. Give details as to prices, second or third choices if you have them and include shipping instructions.

CORNERSTONE - Was first prize Junior Calf at the 1951 Portland Show, and is a half-brother to Sandstone, the Reserve Champion at the same show.

Good Bulls For Greater Progress

Investing in an outstanding purebred Shorthorn or Polled Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage no amount of feeding and handling will ever develop it into a top animal.

A good Shorthorn or Polled Shorthorn bull will raise the standard of the calves from just average cow herds immediately . . . and owners of choice cow herds cannot afford to invest in a bull that doesn't give all the evidence of having the ability to sire calves equal or superior to their dams.

The bulls offered in this sale are just the type to lead the progress of the breed in the future.

		Brae Lodge Jason =235693= Roan, T. A. Russell
		Rosamond 17th =296310= Roan, William McLean & Sons

WHEATDALE COLONEL MAX 36TH - Is a short-legged, deep-bodied bull with plenty of weight for age. He should possibly be carrying more flesh but presents an opportunity to select a real herd sire prospect from a top cow.

Extra Weight Makes Bigger Returns

Demand for Shorthorn and Polled Shorthorn bulls for crossbreeding is the greatest in modern history BECAUSE THEY SIRE BIGGER CALVES - both purebred and crossbred. A 14-state survey has shown that Shorthorn and Polled Shorthorn bulls used on cows of other breeds increased calf crops 10 to 15 per cent; weaning weights from 50 to 100 pounds; yearling weights from 100 to 200 pounds; mature cow weights from 100 to 200 pounds; and calving weights out of crossbred mothers 15 to 25 pounds. In addition, Shorthorn crossbred calves show greater foraging efficiency; resist pinkeye, cancer eye and all other infections; and continue gains in extremes of heat and cold. Crossbred cows will have more milk and produce faster maturing calves that can be marketed three months sooner.

Groups of top bulls like those illustrated are being made available in ever-increasing number.

MARIGOLD STAR CONSUL 10TH - Here is ruggedness not often found-bone, size and smoothness, but not highly fitted. This bull can go right out with a herd. If you need a bull to put added weight on your calves study this prospect carefully.

Polled Shorthorns...

Polled Shorthorns are a sound economic and financial investment. The dollar may change in value, but an efficient working herd of registered Polled Shorthorns is the greatest possible assurance for future economic security.

Polled Shorthorns have more to offer cattlemen than any of the other naturally hornless breeds . . . all the advantages of greater weight for age, increased milk capacity, early maturity and grading-up ability of the Shorthorn, plus the greater efficiency per animal unit where dehorning is unnecessary.

		American Beauty 2d 1836923 R&W, J. C. Price

MARIGOLD BEAUTY 30TH - Is a breedy type red heifer that will develop into the right kind of cow. BRED JULY 3, 1954 to FEMCO PRINCE ROYAL 10TH 2603154, Champion bull at the 1952 Sioux Empire Sale.

Uniformity Has Cash Value

A very significant part of the wealth producing ability of Shorthorns and Polled Shorthorns rests upon the cow herd. Cows like these are the backbone of efficiency of any herd. They combine pedigree, individuality, prolificacy and long life. They are reliable as regular producers of the kind of calves that go on into other herds contributing improvement and popularity for Shorthorns and bring ever-increasing revenue to the owners.

Perhaps no one thing inspires more confidence on the part of a buyer than to see a uniform bunch of matrons like these. The animals offered in this sale are all from herds noted for their uniformity, as well as modern type and impressive bloodlines.

	Sunrise Rosewood 4th 2249614 Red, Carl A. Greif	

SUNRISE ROSEWOOD 15TH - Is a heifer of the right type, beautifully bred and was Grand Champion Female of the 1952 Oregon State Fair.

1951 International Reserve Grand Champion Steer Over All Breeds

Formation, the University of Idaho bred Shorthorn steer sired by Mar-ellbar Formation, that was made Reserve Grand Champion over all breeders at the 1951 International Live Stock Show. This sensational senior steer calf was of unusually high quality and that he was an excellent individual and extremely well finished is attested by the fact that he was a very popular Champion.

More and more practical commercial men are turning to Shorthorn

blood with the single purpose of recapturing greater substance, scale and ruggedness. In a country where every additional pound of beef produced must necessarily come from wider utilization of forage crops Shorthorn cattle will continue to lead the way.

BOBILEE GLOSTER - Is a very smooth, thick heifer with a double cross of imported Cluny Bank Standard breeding in her pedigree. Look her over carefully - she will speak for herself.

World's Record Prices For Shorthorns

Greater demand for Shorthorn stockers and feeders is bringing prices in auction and market that are higher than for any other breed. Last year Shorthorns set the world's record average for heifer calves of \$50.00 per cwt., one load bringing, \$60.00 . . . made average of \$47.00 for 600 heifer calves . . . established open market records for heifer loads, both calves and yearlings - - \$46.75 and \$40.00 respectively . . . made open market record for steer calves of \$51.50 . . . commanded higher prices for weights to return most dollars. In one case yearlings off range brought \$292.00 per head or \$8,760 for the load. Heaviest load at Chicago Feeder Show were the corn cob-fed yearlings of Purdue University - - 903 pounds. They brought \$307.00 per head. And at the Denver National Western stock show, world's greatest feeder competition, they not only took the grand championship for the third time in four years but outsold steer calves of all breeds by \$3.00 per cwt. The SMART cattleman will switch to Shorthorns - - NOW.

FEMALE

CLAUSEN BROS.

C B MISSIE 59TH 2691-042 RE-C98

46

Roan, calved Dec. 3, 1951. Bred and owned by Clausen Bros., Spencer, Iowa.
